## President's Corner

Lee Elrick Jr., Section President

I want to wish our members and their families continued good health. None of us knew what 2020 – 2021 had in store for us but hopefully we are getting a handle on this with increased vaccinations and continued good habits to reduce the spread.

Our club has spent time during the past few months enjoying some local cultural events at the Wichita Art Museum and Mark Arts. It's great to see all the museums and cultural venues we have here in Wichita. I'm looking forward to visiting the Wichita Historical Museum on April 10<sup>th</sup>.

We are hoping to enjoy some other outside activities this spring and summer. Unfortunately, we will miss out on the McPherson Car Show this year but I'm looking forward to the event at the school in 2022.

Some future events include the very popular Poker Run, a visit to Botanica, lunch at Firebirds, and a visit to the Mercedes-Benz dealership for an introduction to the new S-Class.

Looking forward to seeing everyone soon!

Lee

**Upcoming Events**

**Visit to European Car Company**

When: **Saturday, May 15<sup>th</sup>, 10AM to 12PM**

Where: **122 N. Walnut St, Wichita 67203**

Dave Leivian has once again opened up his shop for a visit from our club. This is a great opportunity to get a close look at a lot of interesting cars plus Dave will field your questions regarding car care and different car issues. There will be coffee and donuts and we might grab lunch afterward in Delano.

**Poker Run!**

When: **Saturday, Jun 12<sup>th</sup>**

Where: **Various Locations**

This is always a fun event. We will be driving in the local area visiting different spots and collecting playing cards. Put together your best poker hand and see if you can win some fabulous prizes. We typically depart in the late morning, grab lunch at some location during the drive, and then finish up at a final spot for some frosty beverages. More details will be sent out as we get closer to the event date. Oh, and no poker experience is required to enjoy this event!

**Visit to Twisted Oz Motorcycle Museum**

When: **Saturday Jul 17<sup>th</sup>, 10AM to 12PM**

Where: **527 W 7<sup>th</sup> Ave, Augusta KS 67010**

Ok so we typically focus on 4-wheeled vehicles, but Twisted Oz has a very impressive collection of motorcycles that are sure to impress. The collection includes bikes from the 1890s all the way up to more modern racing bikes and cruisers. This is well worth a visit and we will grab lunch afterwards.

### Recent Events

#### **Wichita Section Zoom Membership Meeting and Cocktail Hour, Thursday January 28th**

Using our newly activated Zoom account, the Wichita Section held its first on-line membership meeting/cocktail hour. While turnout was a bit low, those who did participate had a great time catching up and talking about some of the section's upcoming events. There was plenty of car news to share as folks thought about getting ready for the warmer driving season. Additionally, there were some very interesting cocktails. It was a great way to get the year started and it was nice to put our Zoom account to use.

#### **Visit to the Wichita Art Museum, Saturday February 20th**

The Wichita section began its trifecta of cultural events with a visit to the Wichita Art Museum. Fourteen members and guests attended this event. In addition to the regular installations, we also got see special exhibits of African American art and the Harlem Renaissance and another project of 1ft by 1ft pictures made by local area folks. This museum is certainly a gem here in Wichita. To learn more about the museum visit: [www.wichitaartmuseum.org](http://www.wichitaartmuseum.org) .

**Mercedes-Benz Club of America – Wichita Section****Visit to Mark Arts, Saturday March 13th**

Fourteen members from the Wichita section had a private tour of the Mary R. Koch Arts Center (Mark Arts). Mark Arts is combination art gallery and art school covering many different art mediums. During the tour we had an opportunity to view a traveling installation of oil paintings. Additionally, we got to check out the different classrooms/workspaces within the facility, including a test kitchen, painting room, sculpting studio, and a print making room. We are lucky to have such a place in Wichita and several section members picked up information on different art classes. You can learn more about Mark Arts by visiting: [markartsks.com](http://markartsks.com).

### Visit to the Wichita Historical Museum, Saturday April 10th

The Wichita section was very fortunate to get a private tour of the Wichita Historic Museum. Twelve members were able to wander all around the museum before it officially opened for the day. The museum is located in the old city courthouse which was built in 1892. Among the many interesting displays was the Jones 6 automobile which was built here in Wichita. The story of how it was placed on the 4<sup>th</sup> floor of the museum is also fascinating. Sticking to the car theme there also happened to be a temporary installation of pedal cars. The detailing on these old toy cars was completely unexpected. After perusing all four floors of the museum, the group

then headed out to our favorite German restaurant, Prost, to enjoy some fine food and beverages.
