PRESIDENT'S CORNER – HELLO FELLOW CLUB MEMBERS!

As the new section president, I'd like to take a moment and tell you a little about myself. I've been a member of the Mercedes club for 11 years. I've owned one type or another Mercedes for 15 years now.

Some of you know me as "The 126 guy". As you know, the 126 body style is the S Class from 1979 – 1991. My current pride and joy is my 1989 420 SEL. I also have the coupe version, a 560 SEC.

Our first get together was at Old Chicago restaurant in February. We enjoyed fine company and food, as well as a guest speaker, Shane Dresser, from McPherson College – School of Auto Restoration and president of the C.A.R.S. Car Club.

We're planning on having several club activities this year. We welcome all input from the membership regarding future events. Our next event is the C.A.R.S. Car Show at McPherson College.

McPherson College is the only accredited college offering a 4 year degree in Auto Restoration in the world. The C.A.R.S. auto show is an annual event drawing car enthusiasts from many states. Last year, there were 5 MBCA sections represented – Pikes Peak, Oklahoma City, Tulsa, Kansas City, and Wichita.

My fellow officers and I look forward to seeing you at the show. I, myself, will be showing my 420 SEL and 560 SEC.

Sincerely,
Steven Beskett
